

## TREMBLORS CEASE, PEOPLE TAKE HEART

Bright Sun Disperses Murky Gloom in Santa Barbara and Clearing of Debris Begins

### THREE DISTINCT TREMORS

Severe Jolt Literally Rocks Entire City at 1:22 a. m.—13 Dead and 23 Badly Hurt

(By United Press)  
Santa Barbara, June 30 (11:15 a. m.)—Quake-tortured Santa Barbara took heart today after the four hours had elapsed after the last devastating tremor.

A bright sun dispelled the murky gloom of early morning and the work of clearing the streets and buildings began again in defiance of the countless setbacks of the night. Hammers pounded everywhere. Temporary scaffolding, a forest of girders of every sort were being set against the crazily leaning stores and building fronts that lined the streets and in some cases nearly arched them.

The Santa Barbara clearing house held a meeting in mid-morning as the result of which a call was issued to the bankers of California to contribute to a twenty million dollar building and loan fund to finance reconstruction.

The city council and chamber of commerce wired the San Francisco chamber of commerce, accepting an offer of assistance and asked for a corps of structural engineers to guide the rebuilding of the ruined city.

The police and military dominated the city. Injured were given expert care at the "cottage," the only undamaged hospital in the city.

Red Cross stations were set up at strategic points. Sandwiches and coffee were given those without adequate funds. The entire business section was picketed by soldiers and sailors. A careful check of casualties today revealed thirteen dead and twenty-three seriously injured. Approximately one hundred have been treated for minor injuries.

Property damage including that done by a recurrence of tremors totaled approximately \$25,000,000, according to a conservative estimate.

Three distinct tremors spread

## TRACES OF MERCURY ARE FOUND IN THE STOMACH

Following Death of Wealthy Christy, Ind., Widow and Discovery, Inquiry is Begun

### ATTORNEYS IN YONKERS, N. Y.

(By United Press)  
Evansville, Ind., June 30—Poison has been found in the stomach of Mrs. Margaret Garbrough Franzmann, wealthy widow of Christy, Ind., who died at Yonkers, N. Y., while on a visit there this month, according to Dr. Charles Seitz, pathologist at Walker's hospital here, who conducted an examination.

Traces of mercury were found in the stomach, the doctor reported, but he could not determine whether it was bichloride of mercury.

"Mrs. Franzmann may have taken an overdose of calomel," Dr. Seitz declared today. "Calomel is a mercury compound."

Following the report, Emory Boyd, attorney for the Franzmann family, departed for Yonkers to carry on a quiet investigation there.

Mrs. Franzmann, who died early this month survived her husband, Charles, by only four weeks. It was to clear up an estate in New York that she went there with a half brother, Edward Garbrough.

Shortly after her arrival there, relatives in Christy received word from Garbrough of her death following an operation for appendicitis.

Relatives were not satisfied and requested an autopsy which was performed by Dr. Eva Buxton, Spencer county's woman coroner, and Dr. J. C. Blackman.

"Our investigation was quiet," said Dr. Buxton. "We decided further examination was necessary and sent the stomach to Evansville."

## WILLIAM E. PORTER Former Shelbyville Man Well Known Here Missing from Sanitarium

(By United Press)  
Battle Creek, Mich., June 30—Blood hounds have been brought here from Shelbyville, Ind., by Enos Porter, prominent Indiana politician, to aid in the search for his son, William E. Porter, wealthy Fort Smith, Ark., manufacturer, who disappeared from a local sanitarium Saturday.

In addition the eldest Porter has offered a reward of \$200 for information leading to the finding of his son or his body.

Porter came here following a nervous breakdown six weeks ago from Los Angeles, Calif. Poor health has caused fear that he might have committed suicide.

Porter formerly lived in Shelbyville and is well known by a number of Rushville people.

## TWO TAXPAYERS ASK A RAISE IN ASSESSMENTS

Different From Usual Demand Made Upon Board of Review to Reduce Tax Appraisals

### WEEK MORE OF THE SESSION

Members of the county board of review believed a little more firmly in human nature today after a Rushville man had asked that three pieces of property he owned be placed on the assessment list for taxation and a man owning a farm in Posey township requested that the assessment on his farm improvements be doubled.

It is customary for every taxpayer coming before the board to complain about their assessments being too high, and these two cases were so radically different that they brought comment from the board.

The board has completed checking the personal property lists for mistakes and has credited all taxpayers entitled to mortgage or soldiers' exemptions. The remainder of the session, which will close one week from Wednesday, will be devoted to equalizing real estate assessments and assessing local corporations. Banks and public service corporations are assessed by the state board of tax commissioners.

Representatives of the bond holders of the American Paper Products company's plant at Carthage who recently purchased it for \$250,000 at receiver's sale, appeared before the board Monday regarding this year's assessment. It was stated that the plant was appraised at the sum at which it sold at receiver's sale, which is a slight reduction compared with the present appraisal.

## HAWKINS' ACCUSERS ON WITNESS STAND

Old Men and Women, Some of Whom Lost Savings of Lifetime, Testify in Mail Fraud Trial

### STOCK SWINDLE ALLEGED

(By United Press)  
Indianapolis, Ind., June 30—Old men and women, some of whom lost the savings of a lifetime in the failure of the Hawkins Mortgage Company of Portland, Ind., today took the witness stand in federal court and pointed an accusing finger at Morton Hawkins, former head of the mortgage company.

Hawkins on trial for fraudulent use of the mails, operated a gigantic stock swindle which cost thousands of investors in the Hawkins stock, between four million and six million dollars.

Stories of being frauded out of stock in going concerns with real assets and being loaded up with stock in the Hawkins company or in numerous subsidiaries were told by the witnesses. In some instances they said they paid as high as \$45 a share for Hawkins stock that had a par value of one cent.

Homer Elliott, special assistant, said he expected to conclude the government's case by Friday.

## IT'S THE SAME THING EVERY SUMMER

## RUSHVILLE SOCIETY DUE FOR SHOCK IN MAKING OF "DAY IN HOLLYWOOD"

Mrs. Henpeck and Hero Give Chase to Mr. Henpeck and Baby Ethel and Automobiles Figure in Collision. Scene to be Made on Public Square. Photographing of Interior and Exterior Scenes Starts Today

Rushville society is due for a shock Thursday afternoon—that is, if the plans of Director Charles Fetty, in charge of producing the Daily Republican's two reel moving picture, "A Day in Hollywood," are not frustrated. That is the day when Mrs. Henpeck, impersonated by Mrs. Curt Hester, and the hero, Jean Kiplinger, give chase to Mr. Henpeck, impersonated by Walter Hubbard, and Baby Ethel, Miss Rosalyn Reed, and the automobiles in which they are riding, figure in a collision on the public square.

This automobile wreck is to be one of the big features of the picture and Director Fetty has elaborate plans for staging it. There will be ample police protection to see that the crowd does not get in the way of the camera, Director Fetty says.

Today proved an excellent day for the photographing of the first scenes of the picture and the cast adapted themselves to the work like veterans at the movie game.

The exterior scenes for the comedy were taken at the home of Mr. and Mrs. T. R. Reed and the first interior scenes will be taken on the stage of the Princess theatre this evening after the evening performance. The interior scenes will be finished with the photographing on the stage Wednesday evening after the evening performance, Director Fetty says.

The cameraman has a battery of klieg lights which are used in the photographing of the interior scenes. These klieg lights are the same as used in the big studios in New York and on the west coast, he says. The scenes taken on the stage are typical examples of the way all moving pictures are photographed and thus give movie fans an insight of the way a moving picture studio operates.

"We have an excellent cast and I am more than elated with the way they are adapting themselves to the various scenes," Director Fetty declared, following the "shooting" on the initial outdoor scenes today. "We had a lovely day to work and if the weather man is favorable toward us we will be through in ample

time for the date set for the showing of the picture."

The movie comedy is to be shown at the Princess theatre Monday, Tuesday and Wednesday of next week. The actual photographing is to be finished this week so that the films can be developed, titled, edited and so forth in time for the first showing Monday.

## FIVE BOYS ENROLL IN KIRO CAMP AT CROSBY

First Twenty Boys Who Qualify will Get to Attend Boys' Camp on Tippecanoe Lake

### SPECIAL RATE IS OBTAINED

Five boys have enrolled for the Rush county boys' Kiro camp beginning at Camp Crosby on Lake Tippecanoe, near North Webster, Ind., Monday, July 20, and continuing for two weeks, if the boys see fit to remain that long.

The camp for Rush county boys, which is being sponsored by the Kiwanis and Rotary clubs, will be a part of the regular Camp Crosby Y. M. C. A. camp and local boys attending will have an opportunity to meet and chum with boys from many cities in Indiana. The camp has an attendance of well above 100 all summer, having opened last week to continue until September.

The camp for Rush county boys is limited to twenty and the first twenty to enroll will be the lucky ones. A special rate of \$1.00 per day for each boy has been obtained for the local camp and free transportation to and from camp will be provided by the two clubs.

Camp Crosby is directed by Herbert C. Pettigohn, boys' work secretary of the Muncie Y. M. C. A., and he has a corps of competent assistants to direct the camp activities. Careful supervision is maintained at all times and no boating or swimming is permitted without adult supervisors present.

Boys who wish to enroll should see Clarence Walden or Roy E. Harold, chairmen of the Kiwanis and Rotary boys' committees, or Fred S. Casady, George Wiltse, Will M. Sparks, or O. R. Zimmer, members of the committees.

## CHILD LABOR FIGHT BEFORE TEACHERS

John F. Sims Calls on Educators at N. E. A. Convention to Rally to Battle For Amendment

### SPIRIT OF THE CRUSADER

Committee Representing 150,000 Teachers Accepts Challenge of Adversaries He Says

(By United Press)  
Indianapolis, Ind., June 30—A call for educators of the country to rally in a renewed fight for adoption of a child labor amendment to the federal constitution was sounded today at the National Education Association convention.

John F. Sims of Stevens Point, Wis., chairman of the committee of one thousand on child labor, told the convention the battle for the child labor amendment has just begun.

"The opposition to the amendment, led by strongly entrenched interests and the advocates of states' rights, has gained temporary victories," Sims said.

"The child labor committee of the association, representing 150,000 educators in the United States, accepts the challenge with the spirit of the crusaders."

A crowded program today faced ten thousand teachers and educators in attendance.

Illiteracy, the child labor problem, homes for retired teachers and thrift in school administration were the subject of brief reports and discussions.

Nominations were to be made for officers of the association with the names of Miss Mary McSkimmon, Brookline, Mass., and Miss Cornelia Adair, Richmond, Va., to be placed in the running for president.

The legislative commission of the organization unanimously approved a proposed bill for congress which would establish a federal department of education. The measure will be presented to the delegates for their approval Thursday.

Jesse Newlon, Denver, Colo., president of the association, sounded a note of pacifism which drew hearty cheers from the convention in his presidential address last night.

"We believe in the development of some system that will abolish war," Newlon said in warning that schools must not be used for spreading propaganda "by powerful influences which would attain particular ends." Legislative tinkering with scientific teaching was scored by Dr. Ben-

## SIX LOCAL BOYS ARE INITIATED

Twelve Phi Deltis See Work Conferred at Connersville

Twelve local boys, members of the Rushville chapter of the Phi Delta Kappa National fraternity, were in Connersville Monday evening attending an initiation that was being conferred by the chapter in that city and through that work six local boys were initiated into the fraternity.

Those boys who were initiated last night and who are now members of the Rushville chapter are: Howard Brecheisen, George Kyle, George Goodin, Wallace Conover, Mervin Alexander and Loren Hunt, the last three being charter members to the chapter but never having the opportunity before of taking the initiation.

Other Rushville Phi Deltis, who were present to see the work conferred were: Halbert Brown, Floyd Roth, Hayes Readle, Vernal Trenne-mohl, Robert Conway, and Eugene Kelley.

## COMMITTEE TO INSPECT PEDESTAL LIGHT POSTS

Councilmen Will go to Indianapolis to Examine Some Replaced by That City

### SOME CAN BE USED HERE

Representatives of the city council will go to Indianapolis in the near future to investigate the ornamental pedestal light posts that are to be sold by the Merchant's Heat and Light Company, and if a satisfactory price can be arranged, a quantity will be purchased for various uses in the city.

Indianapolis is replacing 2,500 of the single light pedestals in the business district, with larger two light posts, and the ones being taken out will be offered for sale to municipal concerns.

The matter was investigated last week by A. T. Mahin, superintendent of the plant, and Mr. Foxworthy, vice president of the Indianapolis concern, came here to consult in the matter. He viewed the park location, and other places for the proposed installation of the lights, and invited the committee from the council to come to Indianapolis and make an inspection of them, and that "satisfactory arrangements" would be made concerning the price.

In Greenfield, the council has purchased a quantity and ordered more of them, and the price paid was said to be \$10 a post. More than 100 can be used here, it was pointed out in the survey, because of the neat appearance of the lights and the great saving in cost for such an ornamental fixture.

## GENERAL CLOSING TO BE IN EFFECT ON FOURTH

Merchants Sign Agreement to Suspend Business on Holiday Though It Falls on Saturday

### TO OPEN FRIDAY EVENING

With the Fourth of July coming on Saturday this year, most of the Rushville business houses will observe the national holiday anyway, and remain closed all day Saturday. A canvas of the business houses was made this morning, and an advertisement appearing elsewhere in this issue calls attention to the closing, and gives the names of the firms that will be closed.

On account of the closing, the stores have also advertised the fact that they will remain open on Friday evening after six o'clock, in order to accommodate persons who have to work until closing time. The names of merchants who will close appear in a paid advertisement on another page.

While not all of the merchants have agreed to close Saturday, yet it is expected that others will join them before the end of the week, as business in all of the cities around here will be suspended Saturday, excepting meat shops and groceries which can not easily be closed over the entire week-end.

## SADIE ALLEN GETS \$13,650 ALIMONY

Awarded Divorce From Albert L. Allen by Judge Will M. Sparks Late Monday

### TOTAL JUDGMENT \$14,250

Husband Retains Possession of All Real Estate—Entries in Other Cases

Judge Sparks, in his findings in the divorce suit heard Friday and Saturday, ordered a decree to Sadie Allen against Albert L. Allen in the closing hours of court Monday, and also entered alimony for the plaintiff in the sum of \$13,650.

The total amount of judgment rendered was for \$14,250, of which \$600 is for her attorney fees, leaving the \$13,650 as alimony. Mr. Allen retains possession of all real estate, as no provisions were made in the decree for any settlement, other than cash.

The payment of the money was ordered as follows: \$5,000 within 30 days, \$5,000 within six months and \$4,250 within 9 months, all payments to bear six percent interest from the date of the judgment.

In closing the dockets for the summer vacation, several other entries were made in cases pending. The case of Jefferson Davis against Walter R. Thomas, a damage suit for \$5,000 judgment, was sent to Henry county for trial on motion of the plaintiff for a change of venue.

The case of the American Can Company against the American Paper Products Company of Carthage, a claim, was dismissed, because of settlement in the courts of Missouri. John A. Knecht was awarded judgment against Owen and Caroline Sweet, the action being on a note. The defendants failed to appear, and judgment for \$13.29 and costs was entered against them.

The Taggart Baking Company was also awarded a court judgment for \$178.56 and costs, against Florence and Clarence Bell, the action being on a note. The defendants defaulted in this action, and the judgment was determined in their absence.

## FIFTH MAN IMPLICATED IN ALLEGED CONSPIRACY

Roscoe Headlee, Part-Time Preacher and Store Clerk at Blue Ridge, is Arrested

### VEHICLE TAKING CHARGE

Roscoe Headlee, part-time preacher and store clerk at Blue Ridge, and brother of Sylvia Headlee of Gowdy and Harry Headlee of Shelbyville, was also arrested Monday afternoon by officers of Shelby county, on a charge of vehicle taking this being the fifth arrest in connection with an alleged conspiracy to steal automobiles.

His brother, Harry Headlee, was taken to the state prison Monday by Shelby county officers to begin serving a term, after pleading guilty Saturday to a charge of mutilating serial numbers of automobile engines. The other brother, Sylvia Headlee, garage owner of Gowdy, is charged in the circuit court here with conspiracy and receiving stolen goods, and is at liberty on bond.

In addition to these three brothers, two Carthage men, Finley Nelson and Clyde Willis, were implicated and confessed at Vincennes, where they were sentenced last week, and their confessions are said to have implicated the rest of the alleged defendants.

Seven stolen automobiles were recovered by State Policemen Joseph Shinn and Samuel Young of Indianapolis and Fred Martin of Vincennes, as the result of the investigation which resulted in the arrest of the five men.

One of them belonged to Tom Saunders of this city and was stolen by Nelson and Willis. It was found in Sylvia Headlee's barn at Gowdy. A Ford coupe stolen from A. C. Headlee, brother of Sylvia, Harry and Roscoe, was found in a barn in Carthage. Four were located at Vincennes and one was taken from Roscoe Headlee, who said it was given to him by his brother Harry. It was stolen in Vincennes.

DI-JO CURES DYSPEPTICS AND IS GAINING NEW FRIENDS. IT IMPARTS NEW LIFE TO YOU

"Please send me three bottles of Di-Jo. It has done me worlds of good," writes a Waterloo, Ia., woman. That is the general verdict. Di-Jo is for the stomach and the stomach only. It isn't a cure-all and there is no fake or humbug about it. It is a digestive tablet which is having a rapidly increasing sale in the United States because everyone who tries it swears by it.

The woman who wrote for the three bottles mentioned above had been for years a chronic dyspeptic. She couldn't seem to get any relief anywhere until she tried Di-Jo and because Di-Jo has been a perfect God-send to her she has never failed to recommend it to her friends.

No one can feel well and have a mass of undigested food lying in the stomach just like a piece of iron. The stomach labors and strains to take care of the food and every bit of the surplus energy thus used weakens the body to exactly the same extent.

Some stomachs weaken under the strain and then come ulcers and worse complications.

DON'T SUFFER FROM INDIGESTION. DI-JO WILL RELIEVE IT ALMOST IMMEDIATELY.

It seems a pity that every sufferer from indigestion can't have a bottle of Di-Jo today. If they could know about it a whole lot of suffering and unpleasantness could be relieved in 24 hours.

If you suffer from indigestion go to your druggist at once and try it. If you are reading this advertisement in your evening paper and are belching and uncomfortable, just go right to your drug store and get some Di-Jo.

If you have lazy bowels take Di-Vac in connection with Di-Jo. This combination ought to make a new person of you.

For sale by all druggists.

Hot Weather Hints

A suit, dress or any other garment is so much cooler and more comfortable when it is clean and a suit looks so much neater and more dresy when it has a good press in it.

Don't neglect these facts, for personal appearance counts much and it must not be right just in cool weather and neglected in warm weather. To dress well and look nice, means the year 'round—not just at times.

## AUDIT SHOWS SHORTAGE IN SMITH'S ACCOUNTS

Field Examiners For Board of Accounts Filed Reports on Books of Former Adjutant General

## IN MC'CRAY ADMINISTRATION

Indianapolis, Ind., June 30—Civil action against Harry B. Smith, former adjutant general of the Indiana National Guard, to recover \$14,900 in state funds and \$15,700 in federal money alleged to have been misappropriated was proposed today by state officials.

Smith will be asked to confer with members of the state board of accounts next week over a settlement. It is expected the state, through Attorney General Gilliom, will bring suit on federal funds as well as on state funds.

Indianapolis, Ind., June 30—Field examiners for the state board of accounts filed an audit of the books of Harry B. Smith, former adjutant general of the Indiana national guard, charging shortages totaling \$10,000 in the state accounts.

The report charged discrepancies of an equal amount in federal funds. Most of the shortage was created while Smith was adjutant general during the administration of Warren T. McCray as governor of Indiana, the report charges.

A copy of the audit was delivered to Smith, and another was turned over to the governor's office and a third, it is said, will be delivered to William H. Remy, prosecutor of Marion county.

Smith refused to discuss the report. Check of the federal funds was made through cooperation of the war department, which sent a government auditor to Indianapolis last January.

## TREMBLORS CEASE, PEOPLE TAKE HEART

further terror among panic-stricken residents early today.

A severe jolt accompanied by rumblings and rolling of the earth, literally rocked the entire city at 1:22 a. m. Buildings left standing, but in a shakey state from the disastrous upheaval of yesterday morning, crumbled to the streets.

Inhabitants stood panic-stricken in their yards or on hill sides and witnessed further destruction of the once magnificent main thoroughfare of the resort city, which less than 24 hours before was lined with beautiful structures of ornate Spanish design.

Two recurrent shocks at 4:42 a. m., and 5:55 a. m., spread fresh panic among frightened Santa Barbarians. The last jolt toppled showers of bricks and cornices to the streets, endangering lives of police and wreckers working in the quake zone.

The battleship Arkansas arrived here this morning, bringing naval doctors to relieve the wearied first aid corps and 200 additional sailors and marines for guard duty in the streets.

No looting has been reported so far, although jewelry stores and shops of all sorts are without fronts or barriers of any kind. City Manager Munn estimated that \$10,000,000 worth of valuables was awaiting recovery by owners.

Advices from Los Angeles, 100 miles away, said that all spare fire fighting equipment in the metropolis was mobilized and ready for a fast run to Santa Barbara, should further quakes set the ruins afire again.

The shake at 4:42 forced the United Press camp to hastily abandon its quarters on the shipping platform in the rear of a ruined store building, when the eaves of a neighboring brick wall threatened to fall in.

Telephone equipment and typewriters were removed to an open space surrounded by partly wrecked buildings and boxes.

Morning dawned on wrecked Santa Barbara muggy and sultry, typical "earthquake weather." The heavy humid atmosphere tensed the nerves of the tired rescue workers and medical men who have been on duty continuously for a day and a night.

One or two more tremblers like the one experienced at 5:55 this morning will level the standing ruins of the city and make of lovely Santa Barbara a desert of concrete and mortar, it was believed by officials.

## AMUSEMENTS

Mae Marsh at Princess

Among the characters in the Mae Marsh English made screen play, "Paddy-the-Next-Best-Thing" is Haidee Wright, the talented English actress, who will be recalled by American theatre-goers for her very splendid portrayal of the role of Queen Elizabeth in the Winthrop Ames New York production of "Will Shakespeare."

After finishing her work in Miss Marsh's "Paddy-the-Next-Best-Thing" Miss Wright left London for the United States and almost immediately sprang into fame as "Queen Elizabeth."

In this recently completed picture, an Allied Producers and Distributors Corporation release at the Princess today, and in which Mae Marsh makes her formal return to the photoplay world after an absence of two years, Miss Wright and her sister, Neva Wright, portray the quaint and delightful maiden aunts of Jack O'Hara.

This marks Miss Wright's first appearance before the motion picture camera.

## "Cheaper to Marry"

While holding all of the intense dramatic appeal of the stage play, the screen version of "Cheaper to Marry" which is now playing at the Castle theatre, is far more colorful than Samuel Shipman's original story.

This is because the motion picture takes advantage of wider latitudes, and Robert Z. Leonard, in making this picturization for Metro-Goldwyn Mayer, has brought a lavish production of society and near-society life to the screen.

In addition to an exceptional cast, Leonard brings into this film noted dancers for his cafe scenes and fifty of the most beautiful bathing girls in California to the sequence devoted to showing intimate happenings in an exclusive women's athletic club. Limitations of the speaking stage made such elaborate settings impossible.

The cast includes Lewis S. Stone, Conrad Nagel, Paulette Goddard, Marguerite de la Motte, Louise Fazenda, Claude Gillingwater and Richard Wayne. As the cynical Jim Knight, who does not believe in marriage, Lewis Stone adds to his fame as an actor. Paulette Goddard, "Monsieur Beaucaire" fame, is seen as a modern vampire for the first time, gown ed in beautiful creations and jewels. Conrad Nagel, always a capable actor, plays his role with rare accomplishment, as does Miss de la Motte, seen opposite Nagel for the first time.

The Second Commandment: Thou shalt not make unto thee any graven image or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation for them that hate me; and showing mercy unto thousands of them that love me, and keep my commandments. Exodus 20: 4-6.

Prayer:—Forbid it Lord that we should ever either by intent or by accident allow anything to replace Thee in our thought or in our purpose or affection.

## Boys in The Open

When the closed season for school begins, the open season for camping and country hikes begins for boys. It delights the heart of a red-blooded youth to get the thrill that appeals to the primitive side of nature.

Camping has become one of the favorite pastimes of the nation, particularly for boys, and the boy who has the opportunity to attend a summer camp thinks he is next door to paradise.

The boys of Rush county are being given a chance to attend one of the best camps in the United States, in point of equipment and supervision, and they will undoubtedly not be slow in grasping it.

Boys and girls belonging to 4-H clubs will also have an opportunity to attend a camp in Shelby county sponsored by the clubs of Shelby, Rush and Decatur counties, and a delightful outing is in store for them.

Camping inspires a love for nature and to place such an ideal before a boy is to make him better prepared for citizenship. President Coolidge, in a talk to Boy Scouts when the American delegation left a year ago for the international gathering at Copenhagen, said:

"Boys should never lose their love

of the fields and the streams, the mountains and the plains, the open places and the forests. That love will be a priceless possession as your years lengthen out. There is new life in the soil for every man. There is healing in the trees for tired minds, and for our overburdened spirits there is strength in the hills, if only we will lift up our eyes. Remember that nature is your great restorer."

Every boy should make an effort to get as much of outdoor life as possible during vacation. If he can attend a camp, so much the better, for there standards are imposed which call upon every boy to respect property rights and nature's rights as well. Through camping he gets a new conception of life and its meaning.

Boys born and reared on the farm learn instinctively of these fundamentals, but boys who are denied this privilege miss a beneficial lesson which living in the open teaches unless they attend a camp or join hiking parties to the country during vacation.

## State Fair Advertising

The Indiana state fair management is already sending out publicity matter for the annual state fair to the newspapers of the state and asking them to run columns of reading matter which few people would be inclined to read, and for which they will receive a few complimentary tickets.

This policy will not have the endorsement of the press of the state because advertisement is recognized as a legitimate expense of any business, and real money should be expended for newspaper space just as real money is spent for any other item required in giving the state fair.

The state fair is primarily a business enterprise although a small state tax is levied to help bear the expense. The fair board manages the fair just as a similar private venture is managed. The board should not expect any more from the newspapers in the matter of free publicity than it receives from any agency providing any article required in giving the fair.

Publicity is essential because the board has to give the people of the state some conception of what the fair has to offer each year. The sort of "canned publicity" that the board sends to the newspapers, however, represents wasted effort and money because few newspapers will print it.

What the fair board needs is good display advertising in the newspapers of Indiana—advertisements written by a trained advertising man who understands the business and knows the kind of advertisements that will produce the best results.

Of course, all local newspapers in Indiana will publish stories dealing with local phases of state fair activities, such as boys and girls club work and other agricultural competition, but they will not be in sympathy with a movement to boost the state fair on a general scale because it should be presented through advertising.

## FIFTEEN YEARS AGO TODAY

From Daily Republican  
Thursday, June 30, 1910

Max Wallace was the recipient of an honor from the Indianapolis Newsboys' band yesterday afternoon. When on their way to their special car to leave the city, the band stopped in front of Hargrove and Mullin's drug store and played a piece especially for Max. The little red headed fellow is considered one of the best carriers of the News in the State.

"Big Wednesday" and the crowd it brought to the city last night to hear the concert of the local band was too much for Bert Davidson and his new addition to the "Flying Squadrons" of the county. A number of people in vehicles of all descriptions were gathered at the corner of Main and Second streets to listen to the music of the band, when Mr. Davidson tried to get out of the crowd. He attempted to turn around by backing his machine and on a forward run he came in contact with a rig belonging to John Boyd, who resides south of the city. The only damage done was that of bending the fender of the carriage that belonged to Mr. Boyd.

A firecracker thrown under George F. Moore's horse this morning caused it to run away despite the fact that some youth may yet be given the limit for shooting fireworks on any day other than the Fourth and any other legal holiday.

Miss Alon Green will leave tomorrow for a short visit with Miss Pauline Coverston at Goshen.

Mr. and Mrs. Herbert Flint and the Misses Ethel and Freda Flint will leave the middle of July for an extended trip through the East.

## Stewart's Washington Letter

BY CHARLES P. STEWART

NEA Service Writer

WASHINGTON—"Coolidge has forgotten Oklahoma." This was getting to be quite a slogan among "sooner state" Republicans.

Job after job had come up in Washington to be filled, but no Oklahomans were picked to fill any of them.

Again and again they thought they had a dandy candidate. Time after time it looked as if their man was sure to win out.

Just as regularly, somebody else nosed in ahead of him at the last minute.

This went on until Oklahoma Republicanism began to show signs of considerable fructification, which was alarming. Oklahoma being a very doubtful state politically, with a senator to elect next year, not to mention eight congressmen.

BUT Coolidge hadn't forgotten. He simply was waiting for a duly qualified Oklahoma candidate's name to be submitted to him for a nice federal appointment.

When, finally, such a candidate did turn up, the president promptly named him assistant attorney general in charge of government land litigation. He's Bert M. Parmenter.

The mysterious qualification? Oh, he's a native Vermonter. Bethel's his "old home town"—about 15 miles from the Coolidge place. Also in Attorney General Sargent's neck o' the woods. Parmenter lived there until he was 20.

FOR all his New England origin and accent, Parmenter's a thorough Oklahoman now.

He landed on the site of Lawton 24 years ago. The site alone was there at the time.

"The Kiowa, Comanche and Apache reservation," he explains, "had just been opened to settlement. The government had cut the land into farms, to be drawn for."

In their midst the town of Lawton had been decreed and staked out in city lots. They were auctioned off."

Pointed remarks get blunt answers.

The best girl's finishing school is matrimony.

Some people save money. Others have a daughter in college.

In making a movie they take one long-drawn out kiss and hunt for a plot to precede it.

One difference between hugging and dancing is it is too hot to dance much now.

It is easy for a bowlegged girl to stay in the water instead of sit on the beach.

You can't become a star by staying out late at night.

Laugh and grow fat is fine. But after you succeed it ceases to be a laughing matter.

Getting into hot water is a fine cure for cold feet.

All the world's a stage and lots of husbands have only thinking parts.

Some homes have so much jazz the baby cries like a barnyard. (Copyright, 1925, NEA Service, Inc.)

dance given by Mr. and Mrs. E. Dwight Johnson, honoring their daughter, Miss Sylvia, at their home near Commerce Tuesday.

Mrs. George Bliss and daughter, Miss Mae Bliss are the guests of relatives in this city.

Mrs. J. S. Lakin of Los Angeles, Cal., is the guest of her sister, Mrs. W. B. Poe, in North Morgan street.

Eloise, the small daughter of Mr. and Mrs. John Kelley, is sick at the home of her parents in West First street with bronchitis.

One of the prettiest June weddings, especially for its simplicity, was the wedding of Miss Nelle Bigham and Clarence Robinson of Indianapolis at the Bigham home in East Seventh street. Everything about the decorations and the ceremony was simple to the minor details.

Percy E. Bass of Little Rock, Ark., is the guest of Miss Venus Lawden, at the home of Mr. and Mrs. Ray Lakin in this city.

Mrs. Arnold Spencer has returned to her home in Indianapolis after a short visit with her parents, Rev. and Mrs. V. W. Tevis, in North Harrison street.

"THAT town certainly was made to order," Parmenter reminisced. "At the beginning of the week—virgin wilderness. By mid-week—a thriving, little tented city of about 8000."

I wasn't quick enough to get a number for the farm lottery, so there was nothing for me to do but buy a town lot, pitch my tent on it and settle down to practice law.

"There was precious little of it for the first few weeks—a little federal authority, but not much, and no local organization at all."

"SHOOTINGS" the new attorney general continued, "were so common they went unnoticed. A man was killed three tents from mine one night and I didn't think it worth while to get up or find out next day what the fight was about or who the killer and his victim were."

"I never learned. Gambling was wide open. Let 'er roll! Let 'er roll! Let 'er roll! NOW SHE ROLLS" came day and night from the big tent where they ran the wheel."

"IT may have been only a coincidence," Parmenter observed, "but Lawton started with just 150 lawyers and just 150 saloons."

"The saloons are neither here nor there. But you can understand with so many lawyers, we had to have some law. So we organized a local government in a month or six weeks."

"We established order. We began building wooden shacks in place of our tents. In six months the railroad built in."

"Then Oklahoma was admitted as a state."

PARMENTER is going to be popular with the press—for he doesn't bluff.

I called on him a few hours after he'd assumed his new duties. He wasn't fairly started and hadn't much to do.

That's the time the average of fenceroller pretends to be up to his neck in work. But not Parmenter.

When I promised to be brief, "Take your time. I'm not very busy," he said.

**Only 12½% of Your Gasoline Dollar is left for Road Power**

THE automobile is still far from perfect that always—every mile—you are losing seven-eighths of the power you have paid for at the fuel pump. Engineers have charted where your gas dollar goes and it is pictured there above for your easy remembrance.

Only 21% ever gets as far as crankshaft motion and even that is cut down to a bare 12½%, a skimpy eighth, to be realized in actual road travel.

## Silver Flash Gasoline

has no miraculous power to change those scientifically-found figures. It can't reduce cooling losses, remove differential friction or make the wind pressure go down. But when you fill at Silver Flash pumps you get a true 100% of fuel efficiency to start with. No fraction of it is already lost in kerosenish adulterants! Necessarily it gives a maximum final power delivery—an actual 12½%—the greatest measure of value for your gasoline dollar.

ANY WOMAN, any man, can have a well-developed face and form. The whole, simple secret is in the use of blood-cells in your body. You now forget all the theoretical talk about diet, exercise, fat treatments, food-fats and fat-foods. Nothing is of any use, after all, except blood-cells.

Thin, run-down men and women, with bony necks, sunken cheeks and shoulders—all these are suffering from one thing—too few blood-cells. Science has proved that S.S.S. helps to make the rich red blood-cells, which you need. Your blood is living for these new blood-cells. Give your blood the blood-cells it needs—take S.S.S. the great scientific blood-cell maker. S.S.S. has done much, too, in making beautiful complexions, clearing the skin, making lustrous red, the cheeks full and plump because it rids the blood of impurities which cause pimples, blotches, acne, blotches, eczema, freckles and rheumatism, too. As the medicinal ingredients of S.S.S. are perfectly safe, it may be taken with perfect safety. This is why S.S.S., since 1826, has meant to thousands of underweight men and women a plus in their strength. Starting S.S.S. today and your great problem, that of your personal appearance, can be solved.

S.S.S. is sold at all good drug stores in two sizes. The large size is more economical.

## WIN FIRST PLACE IN EVERY EVENT ENTERED

Dogs From Wilsona Kennels Place First in Five Contests at Louisville Field Meet

### GERMAN TRAINER ENGAGED

Five first place prizes out of nine events in the open field events for dogs which were held before 2500 people at Louisville, Ky., last Sunday, were awarded to the Wilsona Kennels, according to Ben H. Wilson, the owner, who has in operation probably one of the best kennels in the country just three miles west of this city.

Mr. Wilson took several dogs to Louisville last week and won first place in every event in which he entered. Two pups which were bred in this city but which now belong to other men, won first places in two of her events, according to Mr. Wilson.

Some of Mr. Wilson's prize criminal dogs, and non-criminal dogs and bitches won first places in the high jump, field trial, and open for all-around dogs.

The record made by the dogs from the local kennels is regarded as exceptional and the first place prizes which they won are now on display at the kennels.

Mr. Wilson has made extensive improvement on his equipment at the kennels and he states that he intends to form a demonstration field and give exhibitions every Sunday afternoon in the near future. With the addition of a new swimming pool, jumping boards and the coming of Beno Stein, a German trainer from kennels at Ft. Worth, Tex., Mr. Wilson hopes to increase the facilities of his kennels. He invites all interested to make a visit to his kennels.

## HORSES FROM ADJOINING STATES ARE ENTERED HERE

Grounds Being Put in Condition for Fourth Race Meeting—Bleachers Are Erected

### CONCESSIONS ARRIVING

Horses from adjoining states in large numbers will be entered in the Fourth of July race meeting at the mile track here, according to promoters of the meeting, who announced today that the grounds, the holiday event.

Concessions were arriving today and bleachers obtained from the state board of agriculture, to seat 600 people, have been erected, and a ticket office, twelve by twelve feet, was being moved to the grounds today and will be located near the south entrance of the covered bridge. There will be another entrance to the grounds near the end of the brick pavement.

A feature of the race meeting will be a claiming or selling race in which every horse entered will be for sale by the owners. U. B. Blair of St. Louis, the starter, will auction off the horses.

There will be consignments of horses from four states and there are already thirty horses in the stables at the grounds. Thomas Scheske of Greenville, Ill., will enter Ocean Steamer by Dan's Brother in the .18 pace and Dr. H. H. Smith of Oxford, O., has written that he will ship five or six horses here for the meeting. Ed Lennon of Sturgis, Mich., will ship Mollie O. here for the .18 pace and E. M. Duffey of Chicago will enter C. D., a veteran campaigner in the same race. This horse has started more than 90 times in the last four years and finished first 80 times. He originated in a Greensburg livery stable.

There will be a consignment of horses from Kentucky. Lizzie Harvester, a horse that is expected to figure in the trot, and Billie J. Wilson for the .18 pace, are entries from J. C. Wilson of Indianapolis. Nellie Bingen is an Illinois mare who is entered in the trot. Liberty Hall, an Indianapolis pacer, will also be here.

New York—Babe Ruth will be turned out to pasture for the rest of the season, as soon as the New York Yankees return home, according to Ed Barrow, business manager of the team. "The Babe needs a good rest and we'll have to give it to him for the rest of the season," Barrow said. It is thought that the Babe has a shipped bone in his ankle.

## TENNIS COMPETITION STARTED IN THIS CITY

Several Fast and Interesting Sets Were Played at Memorial Park Sunday Afternoon

### ONE COURT IN GOOD SHAPE

Tennis competition in the city has started in earnest in the last week or so in the courts in Memorial Park, with several fast and interesting sets Sunday afternoon.

The feature match of the afternoon was played with Dr. D. D. Dragoo and O. Cartmel matched against Arthur Wilson and B. Cartmel. Dragoo and Cartmel took the first set in easy fashion, but at this point the opposition took added zest and captured a hard fought set at 10-8. B. Cartmel and Wilson also bagged the next set. With score two sets at one against them, Dragoo and O. Cartmel exhibited one of the flashiest comebacks ever seen on the local courts, winning the next two sets and the match. With accurate line and back court drives and clever net work they had the opposing team at their mercy at all times. The score by sets read 6-1, 8-10, 3-6, 6-4, 6-3.

There were several visiting players at the court Sunday who figured in the playing, including Gordon and White of Lewisville and Lewis Woodruff of Indianapolis.

The east court on the local grounds is in the best condition that it has been for many seasons and the other court will be fixed if enough members can be obtained to finance it. Anyone wishing to play and be affiliated with the tennis club are urged to see Oliver Cartmel or Dr. Dragoo at once so that the club may formulate future plans for improvements.

### KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Stan Coveleskie, veteran Washington pitcher won his ninth game out of 10 starts when he defeated the Athletics 4 to 1. Gray pitched the loser and it was the first game he lost this season.

Eddie Collins' homer with one on scored the only run the White Sox could get off Modridge and the Browns won, 5 to 2.

For the twelfth time this season, the Yankees were stopped after a winning streak of two straight, the Red Sox downing them, 10 to 5.

Cobb's heavy batting helped the Tigers win a double-header from the Indians at 4 to 1 and 7 to 4.

The Pirates went into first place in the National League by beating the Reds, 8 to 1, while the Giants were held up by rain.

New York—"No golf for me this summer. I am interested in tennis only for the present," Mrs. Mary K. Brown, former national champion said when she arrived here from California.

Brighton, Eng.—Interviewed here today, Jack Dempsey indicates that he expects to fight Gene Tunney on July 4 next year.

### MARRIAGE LICENSE

The following couples were granted marriage licenses Monday at the county clerk's office: Stuart R. Garrison, an actuary of Cincinnati and LaVaughn Scholl, a teacher, daughter of James F. Scholl of this county; Thomas C. Johnson, Fayette county farmer and Cleona Durham, daughter of Mr. and Mrs. Charles Durham of this county.

## SOME "KICKS"

Most of us common folks hanker after an occasional kick in life to make us forget our regular jobs. Now about the easiest way to put a lingering kick in our systems is to spend, each day, a little time out in the sunshine, next to old Mother Nature.

As an experiment I have assembled a little bunch of men developers that if purchased soon will produce the non-poisonous kick you need.

Here's what they will do for you—

### Garden Tools—

A pair of blistered hands, a lame back, and a good appetite.

### Golf Clubs—

The most fun you ever had and an increased vocabulary.

### Base Balls—

Two crooked fingers, a bent thumb, and one sore arm.

### Tennis—

Love 15, Love 30, Love 40, a hat-full of love and a more interested wife.

### Lawn Mower—

A caved-in "tummy," a harvest-hand and a beautiful lawn.

### Fishing Tackle—

A chance to lie like a gentleman, and a good time with it.

### Golf Balls

An opportunity to chase something,

If the above flock of kicks produces a kick to your idea of joy and health in the summer, you've won a Carpet Beater.

The Sons of Veterans Auxiliary will hold their regular meeting Thursday afternoon at two o'clock in the G. A. R. room of the court house.

The picnic which was to have been held at Memorial Park this week by the First Presbyterian church ladies, has been postponed until Wednesday, July 8.

The War Mothers will meet at the home of Mrs. Carrie Neal, 425 College Avenue, Wednesday evening at 7:30 o'clock, for their regular meeting. All members are requested to attend.

The piano pupils of Mrs. Otto Moore held a recital Monday afternoon at her home in West Ninth street. The children gave a splendid program and the closing event was the serving of dainty refreshments.

Mr. and Mrs. Thomas Mosburg and son Vernon and Wilbur, Mr. and Mrs. Russell Coons and son Wayne motored to Indianapolis Sunday and spent the day as the guests of Mr. and Mrs. Edgar Mosburg and daughter Lucille.

Mr. and Mrs. W. S. Arnold, 546 Eastern Avenue, Indianapolis, announce the engagement of their daughter, Blanche Helen, to Wayne R. Irvine, son of Mr. and Mrs. J. T. Irvine of Rushville. The wedding will take place the latter part of July.

The Rebekah Crochet Club will be entertained Wednesday afternoon at the home of Mrs. John Williams, corner of Harrison and Fifth streets. Everyone is requested to bring their needles and thimbles as there will be work on the comforts at this time.

The Queen Bee Dairy Maids met Monday evening at the Red Men hall. A class of fourteen "companions" went into the "hayloft" at this time. After the business meeting a social time was enjoyed and coffee and sandwiches were served.

Members of the Friendship Class of the St. Paul's Methodist Episcopal church will hold a picnic Wednesday evening at Memorial Park for the members and their families. The supper will be served at 6:30 o'clock and each member is requested to bring their own silverware and dishes for their family.

About forty friends of Mr. and Mrs. Chester Ridout gathered at their home Monday evening and completely surprised Mr. Ridout, the occasion being his birthday. A pleasant evening was enjoyed with music and a social time and delicious refreshments were served at the close of the party.

Mr. and Mrs. Bert West entertained at dinner Sunday at their home near this city the following guests: Mr. and Mrs. Harry York, Mr. and Mrs. Charles Bebee, Mr. and Mrs. William West, and daughter Mary, Thelma and Maxine West, Harold York, John Taylor, Edward West, Russel Bebee and Robert West.

Mr. and Mrs. Bruce Johnson had as guests at their home west of the city Sunday, Douglas Phillips and Don Swan of Orlando, Florida. Both were graduated from the University of Pennsylvania June 17 and on July 6 they will sail from San Francisco for a trip around the world before returning to their home in Orlando.

Mr. and Mrs. Oscar Miller delightedly entertained with a chicken dinner Sunday at their home south of Arlington. Covers were laid for Mr. and Mrs. Roy Miller, Mr. and Mrs. Clem Woods, Mr. and Mrs. Jim Alsmann of Centerville, Mr. and Mrs. Jesse Gray, Mr. and Mrs. T. R. Lee, Miss Wilna Woods, Miss Katherine Richey and Oren Miller.

Miss Helen Gray was a charming hostess Monday evening when she entertained the members of the Tri Kappa sorority at her home in North Perkins street. It was the regular meeting of the sorority and no business of importance was transacted at this time. An informal social hour was the closing feature and a dainty collation was served.

A number of friends pleasantly surprised Mrs. Walter Offutt Tuesday evening at her home in North Sexton street, the occasion being in celebration of her birthday. The guests included Bert Offutt of Indianapolis, Mr. and Mrs. Pat Gannon and son William, Mr. and Mrs. Quince Whitton and son Robert, Mr. and Mrs. Harry Borden and daughters Mildred and Sarah Jean, Mrs. Euler and daughter Ruth Margaret, Mr. and Mrs. Ed Roth, Mr. and Mrs. George Harrell and Mrs. Margaret E. Kelly.

Ora Smith and son Ralph, living northeast of the city, were very pleasantly surprised Sunday by a host of relatives in honor of their birthdays. A pitch-in dinner was served at the noon hour and in the afternoon refreshments of brick ice cream and cake were served. Among those present were Mr. and Mrs. P. S. Daubenspeck, Mr. and Mrs. H. E. Daubenspeck, Mr. and Mrs. Cliff Haskett, Mrs. Iva Daubenspeck, Mr. and Mrs. Miles Daubenspeck and sons John Miles and Walker, Mrs. O. the home of the Rev. Joseph A. Land, an uncle of the bride, at Maxwell, Ind. The impressive ring ceremony was used. The bride wore a poudre blue canton crepe dress in ensemble effect, with blond accessories. The attendants were Miss Ruby Selby and Alford McCollem of Connersville. Miss Selby wore a dress of canary crepe. Mr. and Mrs. Fisher left immediately for a wedding trip to Dayton, Waverly and Cincinnati, Ohio. They will be at home to their friends after July fifteenth, in their newly furnished bungalow at 1824 Vermont Avenue, Connersville, Ind.

Paul Roots was delightfully surprised by a number of relatives and friends Sunday at his home near Glenwood, the occasion being his birthday anniversary. The guests were Mrs. Mary McCrory, Frank Clark, Miss Marie Grubb, Mr. and Mrs. Thomas Jones of near Glenwood, Mr. and Mrs. Willard Cook and family of this city, Mr. and Mrs. Alva Wilkinson, Mr. and Mrs. Clarence Garrison and family of Alpine, Mr. and Mrs. Perry Stanton and daughter Ruth of near Orange, Mr. and Mrs. Emory Baker and family, Mrs. Margaret Baker and son Roy of Bentonville, Miss Bertha Fritz, Mr. and Mrs. Wilbur Grubb and son and Reid Fielding of near Hawkinsville; Mr. and Mrs. Will Roots, Mr. and Mrs. Fred Cameron and family; Mr. and Mrs. R. Roots, Samuel Clark of near Connersville, Mr. and Mrs. Fred Mohler and family, Mrs. Emma Mohler of Andersonville and Vincent McCrory and Oscar Thatcher of Gings.

The following clipping from the Connersville News-Examiner gives an account of a pre-nuptial luncheon bridge party given Saturday afternoon at the home of Miss Garnette LaRue, honoring Miss Lavaghn Scholl and Miss Hazel Murphy, bride-elects, of Orange:

As a courtesy to Miss Lavaghn Scholl bride-elect of Stewart Garrison of Cincinnati, and Miss Hazel Murphy, bride-elect of Dr. William H. Waller of Detroit, whose marriage will take place in the early autumn, Miss Garnette LaRue entertained with a charmingly appointed pre-nuptial luncheon-bridge Saturday afternoon at her home, 115 East Fourth street.

The luncheon was served at 1 o'clock at prettily decorated small tables. At the bride's table covers were marked for Miss Scholl, her mother Mrs. J. F. Scholl and sister Miss Sara Scholl, Miss Murphy, her mother Mrs. Elmer E. Murphy and sister-in-law Mrs. Paul Murphy.

The other guests were Mrs. Carl K. Edwards, Mrs. W. Herbert Roberts, Mrs. Phil LaRue, Miss Dorothy Brown, of this city, Miss Elizabeth Wellen of Cincinnati, Miss Helen Lambert of Rushville, Mrs. Cyril Ober of Indianapolis.

A profusion of garden flowers decorated the rooms and the place cards were designed with miniature brides.

Following the luncheon a handkerchief shower was featured by little Misses Mollie and Polly Tripp, twin daughters of Rev. and Mrs. L. A. Tripp, who came down the stairway carrying a large basket in which the gifts had been placed. Later bridge was a pleasing pastime.

**TO START LAST CLASS**  
Franklin Lodge No. 35 I. O. O. F. will have the initiatory degree Wednesday evening with a class of ten. This will be the last class that will be given the work until the fall activities of the lodge begin and a large attendance is anticipated. Visitors from Morristown are expected, bringing a class of recent initiates over to witness the work as portrayed by the local staff. The remaining three degrees will be given during July, after which a vacation from lodge work will be enjoyed by the staff until September.

**COOLIDGE LEAVES PLYMOUTH**  
Plymouth, Vt., June 30—Satisfied his father's health was safe again, President Coolidge left here by motor shortly after noon today, bound back to his summer White House at Swampscott, Mass.

TO DESCRIBE CAMP MEETING

A large attendance is expected Thursday night at the regular meeting of the Modern Woodman lodge, when members of the Forester's team that participated in the Head Camp meeting in Chicago, last week, will relate details of the national meeting. Plans also will be made for the meeting at Arlington July 14, when the local lodge will install a charter at Arlington. Twenty-five applications for membership in the Arlington lodge, have been received so far, and this number is expected to be increased by the time of the charter presentation.

MRS. LILLIAN COYNE DIES

Word was received today of the death of Mrs. Lillie Priest Coyne, wife of William Coyne, who died this morning at two o'clock at the family home in Muncie. The deceased was about 60 years of age, and formerly resided in this city. She is related extensively here by distant relatives and by marriage. Funeral arrangements were not known today, excepting that burial would be made here Thursday.

## TREMBLORS CEASE, PEOPLE TAKE HEART

Bright Sun Disperses Murky Gloom in Santa Barbara and Clearing of Debris Begins

### THREE DISTINCT TREMORS

Severe Jolt Literally Rocks Entire City at 1:22 a. m.—13 Dead and 23 Badly Hurt

(By United Press)

Santa Barbara, June 30 (11:15 a. m.)—Quake-torn Santa Barbara took heart today after the four hours had elapsed after the last devastating tremor.

A bright sun dispelled the murky gloom of early morning and the work of clearing the streets and buildings began again in defiance of the countless setbacks of the night.

Hammers pounded everywhere. Temporary scaffolding, a forest of props of every sort were being set against the crazily leaned stores and building fronts that lined the streets and in some cases nearly arched them.

The Santa Barbara clearing house held a meeting in mid-morning as the result of which a call was issued to the bankers of California to contribute to a twenty million dollar building and loan fund to finance reconstruction.

The city council and chamber of commerce wired the San Francisco chamber of commerce, accepting an offer of assistance and asked for a corps of structural engineers to guide the rebuilding of the ruined city.

The police and military dominated the city. Injured were given expert care at the "cottage," the only undamaged hospital in the city.

Red Cross stations were set up at strategic points. Sandwiches and coffee were given those without adequate funds. The entire business section was picketed by soldiers and sailors. A careful recheck of casualties today revealed thirteen dead and twenty-three seriously injured. Approximately one hundred have been treated for minor injuries.

Property damage including that done by a recurrence of tremors totaled approximately \$25,000,000, according to a conservative estimate.

## TRACES OF MERCURY ARE FOUND IN THE STOMACH

Following Death of Wealthy Christy, Ind., Widow and Discovery, Inquiry is Begun

### ATTORNEYS IN YONKERS, N. Y.

(By United Press)

Evansville, Ind., June 30—Poison has been found in the stomach of Mrs. Margaret Garbrough Franzmann, wealthy widow of Christy, Ind., who died at Yonkers, N. Y., while on a visit there this month, according to Dr. Charles Seitz, pathologist at Walker's hospital here, who conducted an examination.

Traces of mercury were found in the stomach, the doctor reported, but he could not determine whether it was bichloride of mercury.

"Mrs. Franzmann may have taken an overdose of calomel," Dr. Seitz declared today. "Calomel is a mercury compound."

Following the report, Emory Boyd, attorney for the Franzmann family, departed for Yonkers to carry on a quiet investigation there.

Mrs. Franzmann, who died early this month survived her husband, Charles, by only four weeks. It was to clear up an estate in New York that she went there with a half brother, Edward Garbrough.

Shortly after her arrival there, relatives in Christy received word from Garbrough of her death following an operation for appendicitis.

Relatives were not satisfied and requested an autopsy which was performed by Dr. Eva Buxton, Spencer county's woman coroner, and Dr. J. C. Blackburn.

"Our investigation was quiet," said Dr. Buxton. "We decided further examination was necessary and sent the stomach to Evansville."

## WILLIAM E. PORTER Former Shelbyville Man Well Known Here Missing from Sanitarium

(By United Press)

Battle Creek, Mich., June 30—Blood hounds have been brought here from Shelbyville, Ind., by Enos Porter, prominent Indiana politician, to aid in the search for his son, William E. Porter, wealthy Fort Smith, Ark., manufacturer, who disappeared from a local sanitarium Saturday.

In addition the eldest Porter has offered a reward of \$200 for information leading to the finding of his son or his body.

Porter came here following a nervous breakdown six weeks ago from Los Angeles, Calif. Poor health has caused fear that he might have committed suicide.

Porter formerly lived in Shelbyville and is well known by a number of Rushville people.

## TWO TAXPAYERS ASK A RAISE IN ASSESSMENTS

Different From Usual Demand Made Upon Board of Review to Reduce Tax Appraisals

### WEEK MORE OF THE SESSION

Members of the county board of review believed a little more firmly in human nature today after a Rushville man had asked that three pieces of property he owned be placed on the assessment list for taxation and a man owning a farm in Posey township requested that the assessment on his farm improvements be doubled.

It is customary for every taxpayer coming before the board to complain about their assessments being too high, and these two cases were so radically different that they brought comment from the board.

The board has completed checking the personal property lists for mistakes and has credited all taxpayers entitled to mortgage or soldiers' exemptions. The remainder of the session, which will close one week from Wednesday, will be devoted to equalizing real estate assessments and assessing local corporations. Banks and public service corporations are assessed by the state board of tax commissioners.

Representatives of the bond holders of the American Paper Products company's plant at Carthage who recently purchased it for \$250,000 at receiver's sale, appeared before the board Monday regarding this year's assessment. It was stated that the plant was appraised at the sum at which it sold at receiver's sale, which is a slight reduction compared with the present appraisal.

## HAWKINS' ACCUSERS ON WITNESS STAND

Old Men and Women, Some of Whom Lost Savings of Lifetime, Testify in Mail Fraud Trial

### STOCK SWINDLE ALLEGED

(By United Press)

Indianapolis, Ind., June 30—Old men and women, some of whom lost the savings of a lifetime in the failure of the Hawkins Mortgage Company of Portland, Ind., today took the witness stand in federal court and pointed an accusing finger at Morton Hawkins, former head of the Mortgage company.

Hawkins on trial for fraudulent use of the mails, operated a gigantic stock swindle which cost thousands of investors in the Hawkins stock, between four million and six million dollars.

Stories of being traded out of stock in going concerns with real assets and being loaded up with stock in the Hawkins company or in numerous subsidiaries were told by the witnesses. In some instances they said they paid as high as \$65 a share for Hawkins stock that had a par value of one cent.

Homor Elliott, special assistant, said he expected to conclude the government's case by Friday.

## RUSHVILLE SOCIETY DUE FOR SHOCK IN MAKING OF "DAY IN HOLLYWOOD"

Mrs. Henpeck and Hero Give Chase to Mr. Henpeck and Baby Ethel and Automobiles Figure in Collision. Scene to be Made on Public Square. Photographing of Interior and Exterior Scenes Starts Today

Rushville society is due for a shock Thursday afternoon—that is, if the plans of Director Charles Fetty, in charge of producing the Daily Republican's two reel moving picture, "A Day in Hollywood," are not frustrated. That is the day when Mrs. Henpeck, impersonated by Mrs. Curt Hester, and the hero, Jean Kiplinger, give chase to Mr. Henpeck, impersonated by Walter Hubbard, and Baby Ethel, Miss Rosalyn Reed, and the automobiles in which they are riding, figure in a collision on the public square.

This automobile wreck is to be one of the big features of the picture and Director Fetty has elaborate plans for staging it. There will be ample police protection to see that the crowd does not get in the way of the camera, Director Fetty says.

Today proved an excellent day for the photographing of the first scenes of the picture and the cast adapted themselves to the work like veterans at the movie game.

The exterior scenes for the comedy were taken at the home of Mr. and Mrs. T. R. Reed and the first interior scenes will be taken on the stage of the Princess theatre this evening after the evening performance. The interior scenes will be finished with the photographing on the stage Wednesday evening after the evening performance, Director Fetty says.

The cameraman has a battery of klieg lights which are used in the photographing of the interior scenes. These klieg lights are the same as used in the big studios in New York and on the west coast, he says. The scenes taken on the stage are typical examples of the way all moving pictures are photographed and thus give movie fans an insight of the way a moving picture studio operates.

"We have an excellent cast and I am more than elated with the way they are adapting themselves to the various scenes," Director Fetty declared, following the "shootings" on the initial outdoor scenes today. "We had a lovely day to work and if the weather man is favorable to ward us we will be through in ample

time for the date set for the showing of the picture." The movie comedy is to be shown at the Princess theatre Monday, Tuesday and Wednesday of next week. The actual photographing is to be finished this week so that the films can be developed, titled, edited and so forth in time for the first showing Monday.

## FIVE BOYS ENROLL IN KIRO CAMP AT CROSBLEY

First Twenty Boys Who Qualify Will Get to Attend Boys' Camp on Tippecanoe Lake

### SPECIAL RATE IS OBTAINED

Five boys have enrolled for the Rush county boys' Kiro camp beginning at Camp Crosby on Lake Tippecanoe, near North Webster, Ind., Monday, July 20, and continuing for two weeks, if the boys see fit to remain that long.

The camp for Rush county boys, which is being sponsored by the Kiwanis and Rotary clubs, will be a part of the regular Camp Crosby Y. M. C. A. camp and local boys attending will have an opportunity to meet and chum with boys from many cities in Indiana. The camp has an attendance of well above 100 all summer, having opened last week to continue until September.

The camp for Rush county boys is limited to twenty and the first twenty to enroll will be the lucky ones. A special rate of \$1.00 per day for each boy has been obtained for the local camp and free transportation to and from camp will be provided by the two clubs.

Camp Crosby is directed by Herbert C. Pettijohn, boys' work secretary of the Muncie Y. M. C. A., and he has a corps of competent assistants to direct the camp activities. Careful supervision is maintained at all times and no boating or swimming is permitted without adult supervisors present.

Boys who wish to enroll should see Clarence Walden or Roy E. Harold, chairmen of the Kiwanis and Rotary boys' committees, or Fred S. Casady, George Wiltse, Will M. Sparks, or O. R. Zimmer, members of the committees.

## CHILD LABOR FIGHT BEFORE TEACHERS

John F. Sims Calls on Educators at N. E. A. Convention to Rally to Battle For Amendment

### SPIRIT OF THE CRUSADER

Committee Representing 150,000 Teachers Accepts Challenge of Adversaries He Says

(By United Press)

Indianapolis, Ind., June 30—A call for educators of the country to rally in a renewed fight for adoption of a child labor amendment to the federal constitution was sounded today at the National Education Association convention.

John F. Sims of Stevens Point, Wis., chairman of the committee of one thousand on child labor, told the convention the battle for the child labor amendment has just begun.

"The opposition to the amendment, led by strongly entrenched interests and the advocates of states' rights, has gained temporary victories," Sims said.

"The child labor committee of the association, representing 150,000 educators in the United States, accepts the challenge with the spirit of the crusaders."

A crowded program today faced ten thousand teachers and educators in attendance.

Illiteracy, the child labor problem, homes for retired teachers and thrift in school administration were the subject of brief reports and discussions.

Nominations were to be made for officers of the association with the names of Miss Mary McSkimmon, Brookline, Mass., and Miss Cornelia Adair, Richmond, Va., to be placed in the running for president.

The legislative commission of the organization unanimously approved a proposed bill for congress which would establish a federal department of education. The measure will be presented to the delegates for their approval Thursday.

Jesse Newlon, Denver, Colo., president of the association, sounded a note of pacifism which drew hearty cheers from the convention in his presidential address last night.

"We believe in the development of some system that will abolish war," Newlon said in warning that schools must not be used for spreading propaganda "by powerful influences which would attain particular ends." Legislative tinkering with scientific teaching was scored by Dr. Ben-

## SIX LOCAL BOYS ARE INITIATED

Twelve Phi Delt's See Work Conferred at Connersville

Twelve local boys, members of the Rushville chapter of the Phi Delta Kappa National fraternity, were in Connersville Monday evening attending an initiation that was being conferred by the chapter in that city and through that work six local boys were initiated into the fraternity.

Those boys who were initiated last night and who are now members of the Rushville chapter are: Howard Brecheisen, George Kyle, George Goodlin, Wallace Conover, Mervin Alexander and Loren Hunt, the last three being charter members to the chapter but never having the opportunity before of taking the initiation.

Other Rushville Phi Delt's, who were present to see the work conferred were: Halbert Brown, Floyd Roth, Hayes Reade, Vernal Tremmepohl, Robert Conway, and Eugene Kelley.

## COMMITTEE TO INSPECT PEDESTAL LIGHT POSTS

Councilmen Will go to Indianapolis to Examine Some Replaced by That City

### SOME CAN BE USED HERE

Representatives of the city council will go to Indianapolis in the near future to investigate the ornamental pedestal light posts that are to be sold by the Merchant's Heat and Light Company, and if a satisfactory price can be arranged, a quantity will be purchased for various uses in the city.

Indianapolis is replacing 2,500 of the single light pedestals in the business district, with larger two light posts, and the ones being taken out will be offered for sale to municipal concerns.

The matter was investigated last week by A. T. Mahin, superintendent of the plant, and Mr. Foxworthy, vice president of the Indianapolis concern, came here to consult in the matter. He viewed the park location, and other places for the proposed installation of the lights, and invited the committee from the council to come to Indianapolis and make an inspection of them, and that "satisfactory arrangements would be made concerning the price."

In Greenfield, the council has purchased a quantity and ordered more of them, and the price paid was said to be \$10 a post. More than 100 can be used here, it was pointed out in the survey, because of the neat appearance of the lights and the great saving in cost for such an ornamental fixture.

## GENERAL CLOSING TO BE IN EFFECT ON FOURTH

Merchants Sign Agreement to Suspend Business on Holiday Though It Falls on Saturday

### TO OPEN FRIDAY EVENING

With the Fourth of July coming on Saturday this year, most of the Rushville business houses will observe the national holiday anyway, and remain closed all day Saturday. A canvas of the business houses was made this morning, and an advertisement appearing elsewhere in this issue calls attention to the closing, and gives the names of the firms that will be closed.

On account of the closing, the stores have also advertised the fact that they will remain open on Friday evening after six o'clock, in order to accommodate persons who have to work until closing time. The names of merchants who will close appear in a paid advertisement on another page.

While not all of the merchants have agreed to close Saturday, yet it is expected that others will join them before the end of the week, as business in all of the cities around here will be suspended Saturday, excepting meat shops and groceries which can not easily be closed over the entire week-end.

## SADIE ALLEN GETS \$13,650 ALIMONY

Awarded Divorce From Albert L. Allen by Judge Will M. Sparks Late Monday

### TOTAL JUDGMENT \$14,250

Husband Retains Possession of All Real Estate—Entries in Other Cases

Judge Sparks, in his findings in the divorce suit heard Friday and Saturday, ordered a decree to Sadie Allen against Albert L. Allen in the closing hours of court Monday, and also entered alimony for the plaintiff in the sum of \$13,650.

The total amount of judgment rendered was for \$14,250, of which \$600 is for her attorney fees, leaving the \$13,650 as alimony. Mr. Allen retains possession of all real estate, as no provisions were made in the decree for any settlement, other than cash.

The payment of the money was ordered as follows: \$5,000 within 30 days, \$5,000 within six months and \$4,250 within 9 months, all payments to bear six percent interest from the date of the judgment.

In closing the docket for the summer vacation, several other entries were made in cases pending. The case of Jefferson Davis against Walter R. Thomas, a damage suit for \$5,000 judgment, was sent to Henry county for trial on motion of the plaintiff for a change of venue.

The case of the American Can Company against the American Paper Products Company of Carthage, a claim, was dismissed, because of settlement in the courts of Missouri.

John A. Knecht was awarded judgment against Owen and Caroline Sweet, the action being on a note. The defendants failed to appear, and judgment for \$183.29 and costs was entered against them.

The Taggart Baking Company was also awarded a court judgment for \$178.56 and costs, against Florence and Clarence Bell, the action being on a note. The defendants defaulted in this action, and the judgment was determined in their absence.

## FIFTH MAN IMPLICATED IN ALLEGED CONSPIRACY

Roscoe Headlee, Part-Time Preacher and Store Clerk at Blue Ridge, Is Arrested

### VEHICLE TAKING CHARGE

Roscoe Headlee, part-time preacher and store clerk at Blue Ridge, and brother of Sylvia Headlee of Gowdy and Harry Headlee of Shelbyville, was also arrested Monday afternoon by officers of Shelby county, on a charge of vehicle taking this being the fifth arrest in connection with an alleged conspiracy to steal automobiles.

His brother, Harry Headlee, was taken to the state prison Monday by Shelby county officers to begin serving a term, after pleading guilty Saturday to a charge of mutilating serial numbers of automobile engines. The other brother, Sylvia Headlee, garage owner of Gowdy, is charged in the circuit court here with conspiracy and receiving stolen goods, and is at liberty on bond.

In addition to these three brothers, two Carthage men, Finley Nelson and Clyde Willis, were implicated and confessed at Vincennes, where they were sentenced last week, and their confessions are said to have implicated the rest of the alleged defendants.

Seven stolen automobiles were recovered by State Policemen Joseph Shinn and Samuel Young of Indianapolis and Fred Martin of Vincennes, as the result of the investigation which resulted in the arrest of the five men.

One of them belonged to Tom Saunders of this city and was stolen by Nelson and Willis. It was found in Sylvia Headlee's barn at Gowdy. A Ford coupe stolen from A. C. Headlee, brother of Sylvia, Harry and Roscoe, was found in a barn in Carthage. Four were located at Vincennes and one was taken from Roscoe Headlee, who said it was given to him by his brother Harry. It was stolen in Vincennes.

DI-JO CURES DYSPEPTICS AND IS GAINING NEW FRIENDS. IT IMPARTS NEW LIFE TO YOU

"Please send me three bottles of Di-Jo. It has done me worlds of good," writes a Waterloo, Ia., woman. That is the general verdict. Di-Jo is for the stomach and the stomach only. It isn't a cure-all and there is no fake or humbug about it. It is a digestive tablet which is having a rapidly increasing sale in the United States because everyone who tries it swears by it.  
The woman who wrote for the three bottles mentioned above had been for years a chronic dyspeptic. She couldn't seem to get any relief anywhere until she tried Di-Jo and because Di-Jo has been a perfect God-send to her she has never failed to recommend it to her friends.  
No one can feel well and have a mass of indigested food lying in the stomach just like a piece of iron. The stomach labors and strains to take care of the food and every bit of the surplus energy thus used weakens the body to exactly the same extent.  
Some stomachs weaken under the strain and then come ulcers and worse complications.  
DON'T SUFFER FROM INDIGESTION. DI-JO WILL RELIEVE IT ALMOST IMMEDIATELY.  
It seems a pity that every sufferer from indigestion can't have a bottle of Di-Jo today. If they could know about it a whole lot of suffering and unpleasantness could be relieved in 24 hours.  
If you suffer from indigestion go to your druggist at once and try it. If you are reading this advertisement in your evening paper and are belching and uncomfortable, just go right to your drug store and get some Di-Jo.  
If you have lazy bowels take Di-Vac in connection with Di-Jo. This combination ought to make a new person of you.  
For sale by all druggists.

Hot Weather Hints

A suit, dress or any other garment is so much cooler and more comfortable when it is clean and a suit looks so much neater and more dressy when it has a good press in it.  
Don't neglect these facts; for personal appearance counts much and it must not be right just in cool weather and neglected in warm weather. To dress well and look nice, means the year round—not just at times.

AUDIT SHOWS SHORTAGE IN SMITH'S ACCOUNTS

Field Examiners For Board of Accounts Filed Reports on Books of Former Adjutant General

IN MC CRAY ADMINISTRATION

Indianapolis, Ind., June 30—Civil action against Harry B. Smith, former adjutant general of the Indiana National Guard, to recover \$14,900 in state funds and \$15,700 in federal money alleged to have been misappropriated was proposed today by state officials.

Smith will be asked to confer with members of the state board of accounts next week over a settlement. It is expected the state, through Attorney General Gilliom, will bring suit on federal funds as well as on state funds.

Indianapolis, Ind., June 30—Field examiners for the state board of accounts filed an audit of the books of Harry B. Smith, former adjutant general of the Indiana national guard, charging shortages totaling \$10,000 in the state accounts.

The report charged discrepancies of an equal amount in federal funds. Most of the shortage was created while Smith was adjutant general during the administration of Warren T. McCray as governor of Indiana, the report charges.

A copy of the audit was delivered to Smith, and another was turned over to the governor's office and a third, it is said, will be delivered to William H. Remy, prosecutor of Marion county.

Smith refused to discuss the report. Check of the federal funds was made through cooperation of the war department, which sent a government auditor to Indianapolis last January.

TREMBLORS CEASE PEOPLE TAKE HEART

Continued from Page One

Further terror among panic stricken residents early today.

A severe jolt accompanied by rumblings and rolling of the earth, literally rocked the entire city at 1:22 a. m. Buildings left standing, but in a shakely state from the disastrous upheaval of yesterday morning, crumbled to the streets.

Inhabitants stood panic-stricken in their yards or on hill sides and witnessed further destruction of the once magnificent main thoroughfare of the resort city, which less than 24 hours before was lined with beautiful structures of ornate Spanish design.

Two recurrent shocks at 4:42 a. m. and 5:55 a. m., spread fresh panic among frightened Santa Barbarians. The last jolt toppled show-ers of bricks and cornices to the streets, endangering lives of police and wreckers working in the quake zone.

The battleship Arkansas arrived here this morning, bringing naval doctors to relieve the wearied first aid corps and 200 additional sailors and marines for guard duty in the streets.

No looting has been reported so far, although jewelry stores and shops of all sorts are without fronts or barriers of any kind. City Manager Munn estimated that \$10,000,000 worth of valuables was awaiting recovery by owners.

Advices from Los Angeles, 100 miles away, said that all spare fire fighting equipment in the metropolis was mobilized and ready for a fast run to Santa Barbara, should further quakes set the ruins afire again.

The shake at 4:42 forced the United Press camp to hastily abandon its quarters on the shipping platform in the rear of a ruined store building, when the eaves of a neighboring brick wall threatened to fall in.

Telegraph equipment and typewriters were removed to an open space surrounded by partly wrecked buildings and reinstalled on packing cases and boxes.

Morning dawned on wrecked Santa Barbara muggy and sultry, typical "earthquake weather." The heavy humid atmosphere tensed the nerves of the tired rescue workers and medical men who have been on duty continuously for a day and a night.

One or two more tremblers like the one experienced at 5:55 this morning will level the standing ruins of the city and make of lovely Santa Barbara a desert of concrete and mortar, it was believed by officials.

"Cheaper to Marry"

While holding all of the intense dramatic appeal of the stage play, the screen version of "Cheaper to Marry" which is now playing at the Castle theatre, is far more colorful than Samuel Shipman's original story.

This is because the motion picture takes advantage of wider latitudes, and Robert Z. Leonard, in making this picturization for Metro-Goldwyn Mayer, has brought a lavish production of society and near-society life to the screen.

In addition to an exceptional cast, Leonard brings into this film noted dancers for his cafe scenes and fifty of the most beautiful bathing girls in California to the sequence devoted to showing intimate happenings in an exclusive women's athletic club. Limitations of the speaking stage made such elaborate settings impossible.

The cast includes Lewis S. Stone, Conrad Nagel, Paulette Duval, Marguerite de la Motte, Louise Fazenda, Claude Gillingwater, and Richard Wayne. As the cynical Jim Knight, who does not believe in marriage, Lewis Stone adds to his fame as an actor. Paulette Duval of "Monsieur Beaucaire" fame, is seen as a modern vampire for the first time, gown ed in beautiful creations and jewels. Conrad Nagel, always a capable actor, plays his role with rare accomplishment, as does Miss de la Motte, seen opposite Nagel for the first time.

AMUSEMENTS

Mae Marsh at Princess

Among the characters in the Mae Marsh English made screen play, "Paddy-the-Next-Best-Thing" is Haidee Wright, the talented English actress, who will be recalled by American theatre-goers for her very splendid portrayal of the role of Queen Elizabeth in the Winthrop Ames New York production of "Will Shakespeare."

After finishing her work in Miss Marsh's "Paddy-the-Next-Best-Thing" Miss Wright left London for the United States and almost immediately sprang into fame as "Queen Elizabeth."

In this recently completed picture, an Allied Producers and Distributors Corporation release at the Princess today, and in which Mae Marsh makes her formal return to the photoplay world after an absence of two years, Miss Wright and her sister, Neva Wright, portray the quaint and delightful maiden aunts of Jack O'Hara.

This marks Miss Wright's first appearance before the motion picture camera.

BIBLE THOUGHT

FOR TODAY

The Second Commandment:

Thou shalt not make unto thee

any graven image or any like-

ness of any thing that is in

heaven above, or that is in the

earth beneath, or that is in the

water under the earth: thou

shalt not bow down thyself to

them, nor serve them: for I the

Lord thy God am a jealous God,

visiting the iniquity of the

fathers upon the children unto

the third and fourth generation

for them that hate me; and

showing mercy unto thousands

of them that love me, and keep

my commandments. Exodus 20:

4-6.

Prayer:—Forbid it Lord that

we should ever either by intent

or by accident allow anything

to replace Thee in our thought

or in our purpose or affection.

Boys in the Open

When the closed season for school

begins, the open season for camping

and country hikes begins for boys.

It delights the heart of a red-

blooded youth to get the thrill that

appeals to the primitive side of na-

ture.

Camping has become one of the

favorite pastimes of the nation,

particularly for boys, and the boy

who has the opportunity to attend a

summer camp thinks he is next door

to paradise.

The boys of Rush county are be-

ing given a chance to attend one of

the best camps in the United States,

in point of equipment and super-

vision, and they will undoubtedly

not be slow in grasping it.

Boys and girls belonging to 4-H

clubs will also have an opportunity

to attend a camp in Shelby county

sponsored by the clubs of Shelby,

Rush and Decatur counties, and a

delightful outing is in store for

them.

Camping inspires a love for na-

ture and to place such an ideal be-

fore a boy is to make him better

prepared for citizenship. President

Coolidge, in a talk to Boy Scouts

when the American delegation left

a year ago for the international gar-

thering at Copenhagen, said:

"Boys should never lose their love

of the fields and the streams, the

mountains and the plains, the open

places and the forests. That love

of the fields and the streams, the mountains and the plains, the open places and the forests. That love will be a priceless possession, as your years lengthen out. There is new life in the soil for every man. There is healing in the trees for tired minds, and for our overburdened spirits there is strength in the hills, if only we will lift up our eyes. Remember that nature is your great restorer."

Every boy should make an effort to get as much of outdoor life, as possible during vacation. If he can attend a camp, so much the better, for there standards are imposed which call upon every boy to respect property rights and nature's rights as well. Through camping he gets a new conception of life and its meaning.

Boys born and reared on the farm learn instinctively of these fundamentals, but boys who are denied this privilege miss a beneficial lesson which living in the open teaches unless they attend a camp or join hiking parties to the country during vacation.

## State Fair Advertising

The Indiana state fair management is already sending out publicity matter for the annual state fair to the newspapers of the state and asking them to run columns of reading matter which few people would be inclined to read, and for which they will receive a few complimentary tickets.

This policy will not have the endorsement of the press of the state because advertisement is recognized as a legitimate expense of any business and real money should be expended for newspaper space just as real money is spent for any other item required in giving the state fair.

The state fair is primarily a business enterprise although a small state tax is levied to help bear the expense. The fair board manages the fair just as a similar private venture is managed. The board should not expect any more from the newspapers in the matter of free publicity than it receives from any agency providing any article required in giving the fair.

Publicity is essential because the board has to give the people of the state some conception of what the fair has to offer each year. The sort of "canned publicity" that the board sends to the newspapers, however, represents wasted effort and money because few newspapers will print it.

What the fair board needs is good display advertising in the newspapers of Indiana—advertisements written by a trained advertising man who understands the business and knows the kind of advertisements that will produce the best results.

Of course, all local newspapers in Indiana will publish stories dealing with local phases of state fair activities, such as boys and girls club work and other agricultural competition, but they will not be in sympathy with a movement to boost the state fair on a general scale because it should be presented through advertising.

## FIFTEEN YEARS AGO TODAY

From Daily Republican Thursday, June 30, 1910  
Max Wallace was the recipient of an honor from the Indianapolis Newsboys' fund yesterday afternoon. When on their way to their special car to leave the city, the band stopped in front of Hargrove and Mullin's drug store and played a piece especially for Max. The little red headed fellow is considered one of the best carriers of the News in the State.

"Big Wednesday" and the crowd it brought to the city last night to hear the concert of the local band was too much for Bert Davidson and his new addition to the "Flying Squadrons" of the county. A number of people in vehicles of all descriptions were gathered at the corner of Main and Second streets to listen to the music of the band, when Mr. Davidson tried to get out of the crowd. He attempted to turn around by backing his machine and on a forward run he came in contact with a rig belonging to John Boyd, who resides south of the city. The only damage done was that of bending the fender of the carriage that belonged to Mr. Boyd.

A firecracker thrown under George F. Moore's horse this morning caused it to run away despite the fact that some youth may yet be given the limit for shooting fireworks on any day other than the Fourth and any other legal holiday.

Miss Alma Green will leave tomorrow for a short visit with Miss Pauline Coverston at Goshen. Mr. and Mrs. Herbert Flint and the Misses Ethel and Freda Flint will leave the middle of July for an extended trip through the East. Harry Wyatt attended the barn

ANY WOMAN, any man, can have a well-developed face and form. The whole, simple secret is in the use of blood-cells in your body. You now forget all the theoretical talk about diet, exercise, fat treatments, food-fats and fat-foods. Nothing is of any use, after all, except S.S.S.

Thin, run-down men and women, with bony necks, sunken cheeks and shoulders—all these are suffering from one thing—too few blood-cells. Science has proved that S.S.S. helps to make the rich red blood-cells, which you need. Your blood is raving for these new blood-cells; give your blood the blood-cells it needs. S.S.S., the great scientific blood-cell maker. S.S.S. has done much, too, in making beautiful complexions, clearing the skin, making lustrous red, the cheeks full and plump because it rids the blood of impurities which cause pimples, blackheads, acne, blotches, eczema, tetter, skin and rheumatism, too. Dogs From Wilson's Kennels Place First in Five Contests at Louisville Field Meet

### GERMAN TRAINER ENGAGED

Five first place prizes out of nine events in the open field events for dogs which were held before 2500 people at Louisville, Ky., last Sunday, were awarded to the Wilson's Kennels, according to Ben H. Wilson, the owner, who has in operation probably one of the best kennels in the country just three miles west of this city.

Mr. Wilson took several dogs to Louisville last week and won first place in every event in which he entered. Two pups which were bred in this city but which now belong to other men, won first places in two other events, according to Mr. Wilson.

Some of Mr. Wilson's prize criminal dogs, and non-criminal dogs and bitches won first places in the high jump, field trial, and open for all-around dogs.

The record made by the dogs from the local kennels is regarded as exceptional and the first place prizes which they won are now on display at the kennels.

Mr. Wilson has made extensive improvement on his equipment at the kennels and he states that he intends to form a demonstration field and give exhibitions every Sunday afternoon in the near future. With the addition of a new swimming pool, jumping boards and the coming of Ben Steinhilber, a German trainer from kennels at Ft. Worth, Tex., Mr. Wilson hopes to increase the facilities of his kennels. He invites all interested to make a visit to his kennels.

### HORSES FROM ADJOINING STATES ARE ENTERED HERE

Grounds Being Put in Condition for Fourth Race Meeting—Bleachers Are Erected

### CONCESSIONS ARRIVING

Horses from adjoining states in large numbers will be entered in the Fourth of July race meeting at the mile track here, according to promoters of the meeting, who announced today that the grounds for the holiday event.

Concessions were arriving today and bleachers obtained from the state board of agriculture, to seat 600 people, have been erected, and a ticket office, twelve by twelve feet, was being moved to the grounds today and will be located near the south entrance of the covered bridge. There will be another entrance to the grounds near the end of the brick pavement.

A feature of the race meeting will be a claiming or selling race in which every horse entered will be for sale by the owners. U. B. Blair of St. Louis, the starter, will auction off the horses.

There will be consignments of horses from four states and there are already thirty horses in the stables at the grounds. Thomas Scheske of Greenville, Ill., will enter Ocean Steamer by Dan's Brother in the .18 pace and Dr. H. H. Smith of Oxford, O., has written that he will ship five or six horses here for the meeting. Ed Lennon of Sturgis, Mich., will ship Mollie O. here for the .18 pace and E. M. Duffey of Chicago will enter C. D., a veteran campaigner in the same race. This horse has started more than 90 times in the last four years and finished first 80 times. He originated in a Greensburg livery stable.

There will be a consignment of horses from Kentucky. Lizzie Harvester, a horse that is expected to figure in the trot, and Billie J. Wilson for the .18 pace, are entries from J. C. Wilson of Indianapolis. Nellie Bingen is an Illinois mare who is entered in the trot. Liberty Hall, an Indianapolis pacer, will also be here.

New York—Babe Ruth will be turned out to pasture for the rest of the season, as soon as the New York Yankees return home, according to Ed Barrow, business manager of the team. "The Babe needs a good rest and we'll have to give it to him for the rest of the season," Barrow said. It is thought that the Babe has a shipped bone in his ankle.

### TENNIS COMPETITION STARTED IN THIS CITY

Several Fast and Interesting Sets Were Played at Memorial Park Sunday Afternoon

### ONE COURT IN GOOD SHAPE

Tennis competition in the city has started in earnest in the last week or so in the courts in Memorial Park, with several fast and interesting sets Sunday afternoon.

The feature match of the afternoon was played with Dr. D. D. Drago and O. Cartmel matched against Arthur Wilson and B. Cartmel. Drago and Cartmel took the first set in easy fashion, but at this point the opposition took added zest and captured a hard fought set at 10-8. B. Cartmel and Wilson also bagged the next set. With score two sets at one against them, Drago and O. Cartmel exhibited one of the flashiest comebacks ever seen on the local courts, winning the next two sets and the match. With accurate line and back court drives and clever net work they had the opposing team at their mercy at all times. The score by sets read 6-1, 8-10, 3-6, 6-4, 6-3.

There were several visiting players at the court Sunday who figured in the playing, including Gordon and White of Lewisville and Lewis Woodruff of Indianapolis.

The east court on the local grounds is in the best condition that it has been for many seasons, and the other court will be fixed if enough members can be obtained to finance it. Anyone wishing to play and be affiliated with the tennis club are urged to see Oliver Cartmel or Dr. Drago at once so that the club may formulate future plans for improvements.

## Be Our Customer Three Years from Now

The biggest thing we can do for you besides selling you the General Cord is to show that our interest goes beyond that sale—therein lies our success. It's more important to us that your Generals give long mileage than it is to sell you another too soon. Just as the tire itself "goes a long way to make friends" we want you to know that our service does too. In helping you to equip properly, through our knowledge of tire engineering, we effect economies in tire buying that keep you as our customer.

**KEEPING ONE EYE ON THE SCORE BOARD**

Yesterday's Hero: Stan Coveleskie, veteran Washington pitcher won his ninth game out of 10 starts when he defeated the Athletics 4 to 1. Gray pitched the loser and it was the first game he lost this season. Eddie Collins' homer with one on scored the only run the White Sox could get off Modridge and the Browns won, 5 to 2.

For the twelfth time this season, the Yankees were stopped after a winning streak of two straight, the Red Sox downing them, 10 to 5. Cobb's heavy batting helped the Tigers win a double-header from the Indians at 4 to 1 and 7 to 4.

The Pirates went into first place in the National League by beating the Reds, 8 to 1, while the Giants were held up by rain.

## SOME "KICKS"

Most of us common folks hanker after an occasional kick in life to make us forget our regular jobs! Now about the easiest way to put a lingering kick in our systems is to spend, each day, a little time out in the sunshine, next to old Mother Nature.

As an experiment I have assembled a little bunch of men developers that if purchased soon will produce the non-poisonous kick you need.

**Here's what they will do for you—**

- Garden Tools—**  
A pair of blistered hands, a lame back, and a good appetite.
- Golf Clubs—**  
The most fun you ever had and an increased vocabulary.
- Base Balls—**  
Two crooked fingers, a bent thumb, and one sore arm.
- Tennis—**  
Love 15, Love 30, Love 40, a hat-full of love and a more interested wife.
- Lawn Mower—**  
A caved-in "tummy," a harvest-hand odor and a beautiful lawn.
- Fishing Tackle—**  
A chance to lie like a gentleman, and to do it with it.
- Golf Balls**  
An opportunity to chase something, If the above flock of kick products appeal to your idea of joy and health in the summer, you'll find a Carpet Beater: P. S. — We will

The Sons of Veterans Auxiliary will hold their regular meeting Thursday afternoon at two o'clock in the G. A. R. room of the court house.

The picnic which was to have been held at Memorial Park this week by the First Presbyterian church ladies, has been postponed until Wednesday, July 8.

The War Mothers will meet at the home of Mrs. Carrie Neal, 425 College Avenue, Wednesday evening at 7:30 o'clock, for their regular meeting. All members are requested to attend.

The piano pupils of Mrs. Otto Moore held a recital Monday afternoon at her home in West Ninth street. The children gave a splendid program and the closing event was the serving of dainty refreshments.

Mr. and Mrs. Thomas Mosburg and son Vernon and Wilbur, Mr. and Mrs. Russell Coons and son Wayne motored to Indianapolis Sunday and spent the day as the guests of Mr. and Mrs. Edgar Mosburg and daughter Lucille.

Mr. and Mrs. W. S. Arnold, 546 Eastern Avenue, Indianapolis, announce the engagement of their daughter, Blanche Helen, to Wayne R. Irvine, son of Mr. and Mrs. J. T. Irvine of Rushville. The wedding will take place the latter part of July.

The Rebekah Crochet Club will be entertained Wednesday afternoon at the home of Mrs. John Williams, corner of Harrison and Fifth streets. Everyone is requested to bring their needles and thimbles as there will be work on the comforts at this time.

The Queen Bee Dairy Maids met Monday evening at the Red Men hall. A class of fourteen companions went into the "hayloft" at this time. After the business meeting a social time was enjoyed and coffee and sandwiches were served.

Members of the Friendship Class of the St. Paul's Methodist Episcopal church will hold a picnic Wednesday evening at Memorial Park for the members and their families. The summer will be served at 6:30 o'clock and each member is requested to bring their own silverware and dishes for their family.

About forty friends of Mr. and Mrs. Chester Bidout gathered at their home Monday evening and completely surprised Mr. Bidout, the occasion being his birthday. A pleasant evening was enjoyed with music and a social time and delicious refreshments were served at the close of the party.

Mr. and Mrs. Bert West entertained at dinner Sunday at their home near this city the following guests: Mr. and Mrs. Harry York, Mr. and Mrs. Charles Bebee, Mr. and Mrs. William West, and daughter Mary, Thelma and Maxine West, Harold York, John Taylor, Edward West, Russel Bebee and Robert West.

Mr. and Mrs. Bruce Johnson had as guests at their home west of the city Sunday, Douglas Phillips and Don Swan of Orlando, Florida. Both were graduated from the University of Pennsylvania June 17 and on July 6 they will sail from San Francisco for a trip around the world before returning to their home in Orlando.

The following clipping from the Connersville News-Examiner gives an account of a pre-nuptial luncheon bridge party given Saturday afternoon at the home of Miss Garnette LaRue, honoring Miss Lavangin Scholl and Miss Hazel Murphy, bride-elects, of Orange:

As a courtesy to Miss Lavangin Scholl bride-elect of Stewart Garrison of Cincinnati, and Miss Hazel Murphy, bride-elect of Dr. William H. Waller of Detroit, whose marriage will take place in the early autumn, Miss Garnette LaRue entertained with a charmingly appointed pre-nuptial luncheon-bridge Saturday afternoon at her home, 115 East Fourth street.

The luncheon was served at 1 o'clock at prettily decorated small tables. At the bride's table covers were marked for Miss Scholl, her mother Mrs. J. F. Scholl and sister Miss Sara Scholl, Miss Murphy, her mother Mrs. Elmer E. Murphy and sister-in-law Mrs. Paul Murphy.

The other guests were Mrs. Carl K. Edwards, Mrs. W. Herbert Roberts, Mrs. Phil LaRue, Miss Dorothy Brown, of this city, Miss Elizabeth Wellen of Cincinnati, Miss Helen Lambert of Rushville, Mrs. Cyril Ober of Indianapolis.

A profusion of garden flowers decorated the rooms and the place cards were designed with miniature brides.
